# MiniFinder® Pico

Quick guide

## Introduction

The goal of this quick guide is to help you get started with your MiniFinder® Pico 4G and live tracking via MiniFinder GO Tracking System in the shortest possible time.

Before the first use, please charge the device for 4h. Next time device is fully charged after 2h. Please charge the device with the included USB cable. Connect it to a computer or to a power adaptor, then Pico 4G starts automatically as soon as it gets power.

Place the magnetic charging cable against the charging pins to charge. See the picture below.

You can find more features and commands in the complete user manual:

**NOTE!** If you have received a login information for the APP from MiniFinder, please skip the device registration steps 1 and 2 below.

## Device registration

**1**

Visit [my.minifinder.com](https://my.minifinder.com) to create your account and activate your device.

The screenshot shows a registration form titled "Register your MiniFinder". The form includes the following fields and options:

- Your e-mail:** A text input field with the placeholder text "Example, info@minifinder.com" and a calendar icon on the right.
- Device Type:** Four selectable options represented by images: a wristband, a button, a small rectangular device, and a SIM card labeled "minifinder LTE 4G+".
- IMEI number:** A text input field with the placeholder text "Example, 123456789112345" and an information icon (i) on the right. To the right of the field is a "PACKAGE" icon showing a box with "IMEI" and a barcode.
- Password:** A text input field with a password visibility icon on the right.
- Repeat Password:** A text input field with a password visibility icon on the right.

At the bottom of the form is a red button labeled "LET'S GO".
