ACTIVATION GUIDE

Introduction

The goal of this quick guide is to help you get started with your MiniFinder Rex in the shortest possible time. Before using your Rex for the first time, it's recommended to charge the unit for 3 hours. While charging, the red LED will blink slowly every 3 seconds. Once the battery is fully charged, the red LED will stay solid.

To turn on the unit, press the On/Off button until it vibrates and the LED starts blinking.

To turn off the unit, hold the On/Off button for 10 seconds until the LED shuts off.
